Hi, Gina. Thanks for the update. We would like to have a submittal of the permit application by the end of the year. It sounds like that will work for you also.

We had a wonderful Thanksgiving. We were with my husband's family in Scottsdale. Hope you had a great holiday, too.

Pam

Hello Pam,

By submittal of plan, do you mean the mine permit application? I don't have a firm date because EarthFax needed some additional data on the storm water ditches that we didn't have, so they are meeting me down at the plant next week to get the measurements that they need. They should be able to provide a draft of the application for me to review within a week or two after the site visit.

Do you have a date in mind such as mid-December or year end at the latest? If you are thinking of a specific date, I can go back to EarthFax and push them to get it completed sooner.

I hope you have a good Thanksgiving, too! Are you staying in town?

Gina

Subject: Plan Submittal

Hi, Gina. Do you have a date scheduled for the submittal of the plan? Please let me know. thanks.

Happy Thanksgiving!

Pam
